

Gleason Beach Roadway Realignment Project

State Route 1, Post Mile 15.1/15.7, Sonoma County, California

Summer/Fall 2018

Caltrans proposes to realign a section of State Route (SR) 1 near Gleason Beach in Sonoma County (see INSET) to maintain SR 1, which is the only road connecting the communities of Bodega Bay and Jenner. State Route 1 has been damaged by multiple erosive forces and the road continues to be undermined and is vulnerable to future storms. Caltrans has completed emergency repair work in the past to temporarily stabilize the worsening roadway. The inland bypass of the roadway is a long-term solution to accommodate sea level rise and coastal bluff erosion.

Project Description

The Gleason Beach Realignment Project would construct an approximately 3,700-foot, two-lane roadway and 850-foot-long bridge span over Scotty Creek. The two-lane roadway and bridge span would be 49 feet wide including 6- to 8-foot shoulders and a 6-foot sidewalk in the southbound direction to accommodate bicycle and pedestrian access. The existing box culvert and grade-separation structure at Scotty Creek would be removed.

Project Update

Caltrans invites you to an upcoming Community Meeting on Saturday, September 22nd to view the latest project developments including roadway and bridge project renderings, learn how the project would protect and enhance sensitive coastal resources and be informed about how public input has been incorporated to shape the development of the project.

The project will provide resources to fund public access enhancements and biological restoration that will benefit the region, including the following:

- Cleanup of the bluff at Gleason Beach
- Maintain parking and beach access
- Development of the California Coastal Train plan within the project limits
- A bicycle and pedestrian bridge across the mouth of Scotty Creek
- Restoration of the lower reach of Scotty Creek for fish passage and on-site wetland mitigation plan

Community Meeting – September 22, 2018

When: Saturday, September 22, 2018

Time: 10:00 – 11:30 AM

Where: Bodega Bay Grange Hall, 1370 Bodega Avenue, Bodega Bay, CA 94923
